

**Objective**

I am a competent and experienced web designer with a proven track record of seeking out clients and completing projects to a high standard. I am focused and passionate about useable design and I am committed to learning new skills. It is my intention to gain further experience as a web designer before perusing a senior position.

**Key Skills**

**Technical Skills:**

- ▶ XHTML/CSS
- ▶ Good understanding of Photoshop, Dreamweaver & AutoCAD 2009 (3D)
- ▶ Understand concepts of usability and accessibility
- ▶ Familiar with local & remote servers such as XAMPP & Linux
- ▶ Work well with database driven layouts

**Personal Skills:**

- ▶ Creative thinker and decision maker
- ▶ Communication and interpretation of clients needs
- ▶ Great attention to detail
- ▶ Able to commit to deadlines
- ▶ Willingness to help and encourage others

**Education**

**BA (Hons) Spatial Design 2:2**

Bishop Burton College – (2004 – 2007)

- ▶ Dissertation title: Impact of Design in Spatial Arrangements
- ▶ Won best student award for academic achievement
- ▶ Spent Approximately 400 Hours within CAD Industry placements

**BTEC National Diploma Graphic Design / OCN CAD, Printmaking, Black & White Photography & Interior Design**

Hull College – (2001 – 2003)

- ▶ Won a place in NHS Design competition

**GCSEs Grade C - English, Maths, Graphics, Art, & Geography**

Sydney Smith High School - (1995 - 2000)

## **Experience**

### **Freelance Website Designer**

KO Portfolio, based from home - (02/2008 – Ongoing as required)

I have teamed with a PHP Web developer to provide a website design service to local businesses where I have assisted clients to develop a personal design strategy. My key duties in this ongoing role have been to develop creative design layouts for a range of websites; I have then constructed the design using my technical knowledge into a fully working website. I am also responsible for maintaining web content at the request of the clients I work with.

### **Web Designer**

Cardsave, Moss Road, Grimsby, DN32 0LW - (02/2010 – 04/2010)

Assisted customers with technical help over the phone with pre built eCommerce web site system and helped them to develop a design strategy, also maintained company website and blog and designed promotional printed material to send out to customers.

### **Cleaner**

Hull City Council Cleaning, South Street, Hull, HU1 1RR - (03/2009 – 12/2009)

Worked as part of a team to ensure a high level of cleanliness in office environments, distributed weekly supplies evenly and updated supply inventories.

### **Checkout Operator / Photo Lab Assistant**

ASDA, Hessle Road, Hull, East Yorkshire, HU3 4UB - (04/2004 – 10/2008)

I have provided a friendly service to customers at the checkout and maintained a focused and organized attitude during repetitive aspects of my role. I have assisted customers with their purchases and transactions and helped customers adapt to new technologies.

During my final Summer at ASDA I spent some time working in the Photo Lab where I prepared photos for processing and gave help to customers who were struggling with technical self service equipment or looking to buy equipment.

## **Personal Interests**

I enjoy attending new media events, I also enjoy my role as a community representative helping to grow a new forum where I assist others and encourage interaction.

Other interests include travelling to visit venues of cultural interest, cookery, health, fitness and cinema.
